Vicar's Letter

As I write the entire world is watching the crisis continue to unfold in Ukraine. The horrors of war come to us via our televisions and social media 24/7. We hear reports from the ground, see videos of the action, and listen to journalists interpreting the war. How should we think about this war from a Christian perspective?

One key question for every war is simply is, it a just war? Well you don't have to be a theological genius to work out that Russia's war against Ukraine is most certainly not a just war.

The old saying is true: Absolute power corrupts absolutely. In the book of Genesis, given the potential for the evil of all sinners working together in unity on one project at Babel, the Lord dispersed them into different lands and with different languages. That way the power would be divided.

Every war is a reminder of the Four Horsemen of the Apocalypse. In Revelation 6 John sees four horses with their horsemen: a white horse with a horseman that represents conquering tyranny; a red horse with a horseman that represents war; a black horse with a horseman that represents famine; and a pale horse with a horseman that represents death. But the victorious Lamb is the Lord over all, the crucified, risen, and exalted Lord who reigns over human history and the four horsemen, and all to the ultimate benefit of his church. The war in eastern Europe shows us again the evils of war.

Yet we take confidence in the exaltation of Jesus of Nazareth, who is the King of kings and Lord of lords. And we pray that God would restrain the forces of tyranny, war, famine, and death. That he would establish peace in eastern Europe and Russia and let the good news of the Gospel be heard everywhere.

As many of you know I will be taking the remainder of my Sabbatical after Easter and will be back in time for the Queens Jubilee celebrations on 1st June. This year for my Sabbatical I am planning to walk the Camino de Santiago, via de la plata route, almost 1,000km from Seville to Santiago de Compostela. I hope to come back from this journey spiritually refreshed and having spent much time in prayer following what has been a very stressful 2 years of ministry during the pandemic.

I have now moved my website to a new host site and will be blogging along the way on <https://wanderingpriest.blogspot.com> for those who wish to follow my journey. All my other Camino journeys are now archived here as well. If you have any prayers that you wish me to take along on my journey please do let me know. Walking and praying seem to go well together for me!

Blessings

Steven

Ocle Pychard Ramblings

At this time of world uncertainty it is good to know that there some things that remain constant. The arrival of spring is gathering pace and soon all the hedgerows and trees will be bursting with showy, fresh lime green young leaves. The birds are already gearing up and pairing off as they start to look for nest sites in which to care for their young offspring. There is an almost tangible feeling in the atmosphere that life is on the move again! With this in mind we people are also thinking about warmer days ahead meeting up with friends and family, and making plans for holidays.

Communities are planning their annual events and here in Ocle Pychard we are looking ahead to the Camino Walk that will probably take place around 24th July (more information about that next month). The details will be firmed up soon and can also be seen on the Camino website.

Services at St. James the Great, Ocle Pychard are as follows:

April 3rd – Holy Communion @ 8.30am

April 17th – Easter Day Holy Communion @ 8.30am

May 1st – Holy Communion @ 8.30am

I wish you all a Happy and Peaceful Easter.

ST MARY'S CHURCH, MUCH COWARNE

Changes in our Conduction of Services

The changes in the way our Matins services are presented, described in the last Newsletter, began in late February and we have now had two services where the lead was taken by one of the Churchwardens and all readings, a meditation and the intercessions were taken by a Churchwarden, and the readings, meditation and the prayers were taken by other members of the congregation. The changes have been well received and the increased participation by the congregation is felt to be a positive step. In March we welcomed members of the Bishops Frome congregation to some services, whilst the builders were working in their church, giving us the opportunity to experience the High Mass and the opportunity to welcome some near neighbours at other services.

Book Stall

The books for sale, previously overflowing three tables have now been put into two bookcases just inside the church and are much easier to see and browse through. Many thanks to Martin & Don who acquired them and fixed them to the wall in a very short time. There is no set price for books taken but donations should be put into the box in the wall to the left of the bookcases

Jubilee Celebrations

In recognition of the Queen's Platinum Jubilee on **Thursday June 2nd** we will be holding a **"Hymns & Pimms" celebration at 6pm**. If fine, we shall gather in the churchyard (if wet in the church), to enjoy a glass of Pimms before going into the church for a service of celebration conducted by Rev Richard Allaway and comprising 7 popular hymns interspersed with readings and prayers. There will be the opportunity for further Pimms after the service.

For this year we have also agreed to join the event planned by the Burley Gate Jubilee Committee on **Saturday June 4th** by moving the stalls and attractions which usually form our Church Fete to the playing field at Burley Gate School where other events will also be taking place. If you are able to offer help with setting up stalls and/or manning them the Churchwardens would be very pleased to hear from you.

Other events being planned

The Annual Plant Sale at Panks Bridge Farm on Saturday May 7th from 2.00pm. As always good selection of annual and perennial flowers, shrubs and vegetables will be for sale, plus some garden objects (Anyone wishing to bring items to sell please contact Marlene Hewitt on 01432 820282).

On **Wednesday June 29th** there will be a **Concert by the Hereford Cathedral School Chamber Choir**, arranged by the Herefordshire Historic Churches Trust, in St Mary's Church at 7.30pm. Full details will be in the next Newsletter.

A Lead Rein Fun Ride for junior riders will be held on **September 4th**, further details will be available later.

We are also hoping to have a Race Night in the Autumn.

Further details of all the above will be on posters and in the newsletters in the next few months.

DO YOU HAVE AN UNWANTED BOOKCASE?

Much Cowarne church are looking for bookcases to house their growing collection of second hand books for sale by donation in the church as the present tables are becoming overloaded and are not ideal for this purpose. If you have a bookcase which you no longer need and would like to donate please email with a photo to Jill Cooksley jjcooksley@hotmail.com .

Hilary's Nature Diary

Harbingers of spring

The first of this year's primroses appeared in my garden in mid February. What a delight. From one gallant flower, others followed hesitantly until, by early March, large clumps filled an uncultivated corner. As this particularly long and grey winter is left behind, the cheerful primrose flowers have lifted my spirits – new life, new beginnings, hope. Spring will have arrived when the churchyard and hedge banks become cowslip country and our woodlands are brimming with the quintessentially British bluebell - almost half the world's bluebells are found in Britain. How lucky we are.

Earth Day April

[Earth Day](#) is an annual event held on April 22nd dedicated to the environmental protection of our planet.

The first ever Earth Day was held on April 22nd 1970. More than 20 million people marched for the environment, and to this day it's still the largest single-day protest in American history. Looking after the Earth was important then, and it's even more important now. Earth Day is celebrated on April 22 in the United States and on either April 22 or the day the spring equinox occurs throughout the rest of the world. If you want to get involved or learn more about Earth Day, then visit the website. There www.earthday.org

I can't start this column without reflecting on the terrible war in Ukraine. I'm sure that like me you've all been horrified by the Russian invasion of Ukraine and the unfolding tragedy there. If any of you reading this have friends or family there, my heart goes out to you; I hope the people you love are safe. I've been moved to see how people here have rallied to support the refugees with donations and offers of accommodation. I feel sorry that the UK government was not quicker and more flexible in its response, but I do hope that now we will start to enable people fleeing violence to find safety here.

Close to home, I'm continuing to chase Balfour Beatty regularly re the road safety concerns at the B4214 / A4103 junction. I'm really disappointed they are taking so long to fix the signage; they have assured me again today that they are working on it but I simply don't understand why it is taking so long. Please continue to alert me to further accidents / near misses at this site so that I can continue to use this info to press for action ASAP.

You may recall that I tried to get a Community Speed Watch group going in Bishops Frome a couple of years ago, but unfortunately at that time we couldn't find enough volunteers. Residents have recently raised concerns with me about several very sad incidents of cats being run over in the village, and so I am keen to try again to see if we can get enough volunteers to start a community speed watch scheme. If you are interested in volunteering, please could you let me know? We need six volunteers to start the scheme. <https://www.westmercia-pcc.gov.uk/community-speed-watch-empowering-our-communities/>

Unfortunately we are not permitted by the police to run such a scheme in a 40mph area, so for Fromes Hill and Munderfield I am continuing to support the local campaigns for speed limit reduction.

I have arranged to do a 'ward tour' next week with our Balfour Beatty Locality Steward, Mike Brookes. I have a long list of issues to look at with him; please feel free to let me know if there is anything you would like me to add to this list. I'm going to try to do these ward tours regularly from now on.

One issue that I am often asked about is how do highways issues get prioritised by the council and Balfour Beatty – how is it decided which roads are resurfaced, which potholes are filled, etc? The short answer is that there is a thing called the 'prioritisation matrix' which looks at the type of road, volume of traffic etc. This is used to decide what works to prioritise – so, for example, A roads are proactively inspected much more frequently than U roads, and potholes on A roads are fixed much more quickly than those on U roads (roads are classified as A, B, C, and U for unclassified). I have asked for a quick guide to this process to be produced for the council website, as I think it would help reduce misunderstandings; I'll let you know when it's done.

Please do remember to report any road defects – potholes, blocked drains, flytipping, flooding etc – to the council via the website <https://www.herefordshire.gov.uk/report-it> or by phone to 01432 261800 as quickly as you can. This is really very helpful indeed. The quicker an issue is reported, the quicker the council can get it fixed!

I'm still doing monthly 'Sunday Service' clean-ups (most recently in Acton Green last Sunday). My next one will be on Sunday 3rd April – do let me know if you'd like to join in!

If you would like to organise your own community litterpicking, you can get a free kit from the council – details here: <https://www.herefordshire.gov.uk/report-problem/litter/4>. It contains half a dozen very useful ‘grabbers’ plus heavy duty sacks and hoops.

Now for a couple of quick reminders about broader council-related things:

- The council has been able to top up all of the Shop Local cards with an extra £10, so please do remember to spend this before 31st March to support the local economy!
- And the council is currently consulting on our proposed new supplementary planning guidance on environmental building standards. The consultation is open until 13 April 2022. Info is here: <https://consultations.herefordshire.gov.uk/consultations> where you can also sign up for alerts about future consultations on any topic.

And finally, as always, please do get in touch if there’s anything you’d like my help with. If you’d like to talk to me in person, please do come along to one of my surgeries (drop in, no appointment needed):

- Bishops Frome Village Centre, 3rd Tuesday of each month, 1.00-2.30pm
- Cradley Village Hall, 3rd Thursday of each month, 1.00-2.30pm.

Alternatively you can phone me on 01531 670729 (landline) or 07950 714947 (mobile) or email me at ellie.chowns@herefordshire.gov.uk.

I’m always happy to hear from you! Ellie.
